

Map Pack: African Physical Map Review

Use this handout to help you review the Physical features of Africa. It is recommended that you write in the name of the feature on the map and not just a number. To better help remember the location of the feature try playing quiz based games, or writing down additional information about the area around the feature such as the major resources, primary economic activity, related biomes, etc... The list of the major physical features of Africa is on the back of this page in alphabetical order.

African Physical Map: Major Features
